Welcome to Healing Grace Clinic!

We are a clinic that provides medical care to patients without health insurance. Following the tradition of Jesus Christ, our mission is to promote health physically, emotionally and spiritually to those who attend here.

Hours: Wed/Thurs: 8:30 am-4:00pm
Sat: 9:00am-12:00pm
Closed some Saturdays: please call for further info

What We Provide:

- Office visits where you may be seen by a licensed nurse practitioner, physician assistant or physician. (\$10.00 donation is requested at each visit)
- Free radiology testing, courtesy of Centers for Diagnostic Imaging (x-rays, MRI, CT). Mammograms through "Show Me" Healthy Women grant @MO Baptist Hospital
- Free lab testing, courtesy of Quest labs (conventional lab work)
- Prescriptions:
 - We attempt to write for prescriptions in the \$4-\$10 range.
 - If they fall out of this range, a discount card, of variable rate, is available at the Eureka Schnucks and some other pharmacies
 - For long term medications, paperwork is available to apply for free name brand medications, as available
- Referral to other specialist providers, as needed and available, at no cost or reduced fees.

Patient Responsibilities:

- Provide honest income assessment. Our resources are limited. Please do your part in helping us provide for the patients with the most need.
- Please call if you are unable to make your scheduled appointment. After 3 no-shows without any communication, you will receive a termination letter and we will no longer see you as a patient.
- Please remember that the clinic is staffed mostly by volunteers. Words or actions seen as abusive, off-color or otherwise inappropriate will not be tolerated and may serve as reason for dismissal from the clinic at any time.

If you have any further questions, please do not hesitate to ask. We look forward to partnering with you in your journey to good health!

Sincerely,

The Staff of Healing Grace Clinic
